YES or NO

- N__ 1. Should we seek fulfillment of these events before John wrote them?
- ___2. Do you believe the events recorded follow each other?
- N__ 3. Do you believe there are literal horses, wars, death, in heaven?
- Y__4. Did John write of future events as they related to the seven churches of Asia and to God's people of that time?

 [Remember: he wrote of things to "shortly come to pass" and "the time is at hand." Rev. 1:1-3. And lest the reader has forgotten, he reminds us again at the end of the book, Rev. 22:6, 10, and says He is coming "quickly" to do these things, that is, render a judgment and wrath against those persecuting his saints. This judgment against Israel came to pass in A.D. 70 with the fall of Jerusalem and the nation.]
- N__ 5. Are souls slain for God's word when there is no persecution?
- Y__ 6. Are souls which have departed from the body conscious?
- Y__7. Is it natural that famine, disease, death, followed warfare of that time?
- Y__8. Would events occurring during the Jewish and Roman persecution effect the church?
- N__9. As we see events under the sixth seal, do you think men can hide from the Lord's coming at the very last judgment day?*

TRUE OR FALSE

- **F**__1. After four living creatures opened the seals, the Lamb said, "Come and see."
- T__2. Events under the first seal could represent the successful preaching and spread of the gospel into all the world. (See Col. 1:23)
- T__3. Events under the second seal seems to represent the persecution of God's saints. [The "sword" in the hands of this rider is the word for killing sacrifices and not the sword of warfare.]
- T__4. The third and forth seals could describe the warfare between the Jews and the Romans and the fall of Jerusalem.
- T__ 5. The upheaval and overthrow of governments and nations in the Old Testament are graphically pictured in the same way as in verses 12 17. [see Joel 2:11 and Joel 2:31 in describing Judah's fall to the Babylonians. See also Isaiah 13; Zephaniah 1]
